Cultural

Personal Development Journey

SMSC education is embedded in our school ethos and curriculum pathways. We value the importance of SMSC and aspire for all our children to develop an understanding of SMSC suited to their own individual cognitive ability. We have an extensive Cultural capital offer that provides opportunities for the children beyond the classroom, preparing them for adulthood.

Growing, Engaging, Mastering and Succeeding

Emerald Pathway -EYFS

Whole School Enrichment Days/Weeks

At Haughton School I will take part in:

- | | |

I will take part in educational trips linked to curriculum topics to support my learning in the classroom.

I will have the opportunity to go on a residential trip (yr 5&6)

Sapphire Pathway

Fundamental British Values

We aim to promote FBV through our curriculum pathways to prepare our children for life in modern Britain. We will teach children that there are differences and similarities between people and expect wherever possible to know about democracy, laws, liberty, tolerance and respect at an age-appropriate level. These values and attitudes are promoted by all staff providing a model for behaviour and outcomes.
